

Tower Operations Report

Period: 2026-03-06 00:00 to 2026-03-13 23:59

Generated: 2026-03-13 16:53:39

Executive Summary

Done draws	0
Failed draws	0
Gas used (SL)	0.00
SAP used / left	0 / 8
Maintenance done	1
Faults opened / closed	0 / 0

Resources: Gas + SAP + Preforms

Argon used in period (SL)	0.00
Gas weighted avg flow (SLPM)	0.00
SAP sets used in period	0
SAP sets left now	8
Preforms used (done draws)	0
Unique preforms used	0
Avg preform left after draw (cm)	0.00

Preforms used in selected period (not full inventory)

No data

Draw Outcomes (Done/Failed + Notes)

Done draws: project + zones + length + done description + order notes

No data

Failed draws: failed description/reason + order notes

No data
